

The Power to Surprise

Kia Motors Corporation (www.kia.com) - a maker of quality vehicles for the young-at-heart - was founded in 1944 and is Korea's oldest manufacturer of motor vehicles. Over 3 million Kia vehicles a year are produced at 10 manufacturing and assembly operations in five countries which are then sold and serviced through a network of distributors and dealers covering around 180 countries. Kia today has over 50,000 employees worldwide and annual revenues of nearly US\$44 billion. It is the major sponsor of the Australian Open and an official automotive partner of FIFA - the governing body of the FIFA World Cup™. Kia Motors Corporation's brand slogan - "The Power to Surprise" - represents the company's global commitment to surprise the world by providing exciting and inspiring experiences that go beyond expectations.

More space to grow as your horizons expand

Choosing the Sportage is an investment in your future quality of life, offering more than enough room for the practicalities of your daily routine.

Fully-folding rear seats Rear seats fold completely flat to transport cargo more easily and safely.

60:40 split folding rear seats The foldable rear seats allow for loading extra-sized items that would not normally fit in the rear cargo space.

Dual-level luggage board Increased cargo space height enables you to load even more extra-large items.

Cargo screen storage compartment The retractable cargo screen can be conveniently stowed away in a partitioned-off space under the floorboard.

Enjoy even more power and enhanced performance

With enhanced fuel efficiency, you can traverse further and revel in gaining greater control of your driving experience, regardless of road or weather conditions.

Automatic transmission This six-gear unit features auto shift lock to prevent any unintended acceleration from happening.

Nu 2.0 MPI gasoline engine
Max. power 155Ps @ 6,200 rpm
Max. torque 192Nm @ 4,000 rpm

Stay safe in all road and weather conditions

We can't predict unforeseen road circumstances but we make use of state-of-the-art safety technologies to guarantee your utmost safety.

Front and Rear Parking Assist System (PAS)
Ultrasonic sensors on the front and rear bumpers detect objects or pedestrians and let you know their distance from your vehicle.

Vehicle Stability Management (VSM)
This technology helps you to keep stable and safe when simultaneously braking and cornering, especially on wet, slippery or rough roads.

Auto Cruise Control (ACC)
Set and maintain a constant speed, and simply step on the brake or accelerator when you want to disengage.

Drive Mode Select (DMS)
DMS enables you to select Normal, Eco or Sport mode to suit the way you wish to drive depending on the road and weather conditions.

Extensive use of Advanced High Strength Steel (AHSS) combined with an extremely well-reinforced chassis design and the trusted hot-stamping process has given birth to the safest and quietest Sportage to date.

Because strength and safety go hand in hand

Advanced High Strength Steel and hot-stamped steel

51% AHSS application makes the all-new Sportage even stronger and lighter with benefits that include better handling and improved fuel efficiency. Hot-stamped components in 14 core stress areas help provide maximum crash protection, better driving dynamics, and a quieter ride.

Advanced adhesives

We've applied a best-in-class 103 meters of structural adhesive to enhance vehicle body strength while minimizing noise and vibration for a smoother ride.

6 airbags Airbags placed strategically throughout the interior offer protection for you and your passengers in the event of a collision.

Suspension The design and geometry of the Sportage's improved suspension offers even more stable handling at high speeds for your safety and enhanced driving comfort.

Attention to detail for a more satisfying ride

Step into a world of high-tech driver convenience features with the Sportage bringing out a whole new level of sporty sophistication.

3.8" monochrome screen audio Experience enhanced audio using the 3.8-inch monochrome screen designed for easy access and control.

AUX & USB ports You and your passengers can connect USBs or other mobile devices for convenient music playback.

Bluetooth Steering-wheel mounted controls enable you to effortlessly stay connected while on the move.

Audio remote control Fingertip control of the sound system means you will never be distracted from the road ahead.

Auto defogger A sophisticated sensor detects fogging on the front windshield and clears it automatically, giving you driving clarity at all times.

Ventilation and USB charger for 2nd row passengers Cold or warm air is available when needed and your rear seat passengers can also recharge your devices on the go.

Cluster ionizer A smart ion generator is ever-ready to remove the sources of unpleasant smells, clearing the interior air for an enjoyable ride.

Button start / stop For convenience and safety, you don't have to take the key fob out of your pocket when you're locking or unlocking the door, starting the engine or disengaging the immobilizer.

Dual-zone Full Auto Temperature Control (D-FATC) Separate temperatures can be set according to driver and front seat passenger preferences, enhancing comfort for all.

Tyre Pressure Monitoring System (TPMS) Allows you to quickly and easily check the air pressure in your tyre.

Roof rack The integrated roof rack is designed for maximum luggage storage while additional accessory cross bars offer you extra utility.

Aerodynamic improvements The smart rear-spoiler side garnish minimizes the drag coefficient for improved fuel efficiency while a state-of-the-art wheel air curtain improves the flow of air around the front wheels to offer you a more comfortable driving experience.

Smart welcome system Approach your vehicle with the smart key fob and the Sportage springs into life once you're comfortably within range. Welcome lights turn on and the outside mirrors unfold into position so that you're ready to be on the move again.

Experience the delight of owning your driving space

The Sportage is redefining our understanding of space utilization. Supreme comfort and fingertip control offer you a sense of serenity every time you slip behind the wheel and hit the road.
