

EV9

Movement that inspires

### High Performance

0 - 100 km/h only in 5,3 second  
385 PS & 700 Nm

### Battery Range

497 Km | 99,8 kWh  
Ultra Fast Charging 350 Kw (± 24 Minutes)

The images shown are for illustration purposes only and may not be an exact.

### Vehicle to Load

Providing access to electricity anywhere and anytime through the vehicle. Users can take advantage of the existing electric power in the EV9 to turn on household electronic equipment or to charge other electronic batteries.

### Meridian Premium Sound System with 14-Speakers

Provides clear audio quality so that it can add comfort when dealing with traffic jams. Users can listen to their favorite songs from the Meridian Premium Sound System with 14-Speakers.

### Dual Panoramic Sun-roof

Adding a luxurious and spacious impression to the cabin with the presence of the Dual Panoramic Sunroof, while also allowing users to enjoy natural views and cool air through the sunroof.

### Relaxation Seats & Dynamic Body Care

Providing maximum comfort for passengers sitting in the second row through the Relaxation Seats and Dynamic Body Care features. Travelling long distances will feel very comfortable.
