An Authorized Kia Dealer will make necessary repairs, using new or remanufactured Parts, to correct any problem covered by this limited warranty without charge to you.

The Warranty Period

The New Vehicle Limited Warranty is divided into various periods. For the purpose of all warranties contained in this manual (other than warranties on Service Parts or Accessories installed after the Date of First Service), the warranty period begins on the Date of First Service. Any remaining portion of the warranty is fully transferable to subsequent owners.
