

The New **KIA**  
**STONIC**

**스타일** STYLE  
**THAT'S ICONIC**

Perfect for those in positions that require extra flair. Let them represent your business even better by giving them the award-winning Stonic as their daily companion.

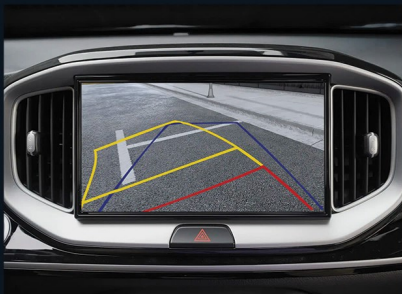

**RELIABLE. STYLISH. EFFICIENT.**

Your valued members can do more and represent your company more while saving more. Because good performance and fuel-efficiency are guaranteed with its 1.4 Dual-CVVT Engine.

**THE EASY & SAFE RIDE FOR GO-GETTERS**

Various features make work-related trips safe and easy

An Infotainment System with Apple CarPlay also serves as a Rear-View Monitor with Parking Guidelines to make reverse maneuvers secure and effortless.

Safety Airbags are always ready to keep your personnel safe during unexpected events.

Its 185mm Ground Clearance makes high humps, minor floods, and uneven roads one less thing to worry about during work-related trips.

**ALL THE SPACE YOUR PERSONNEL NEED**

The 325-liter trunk space of the Kia Stonic can be further expanded by its rear folding seats. Whatever needs to be carried to effectively accomplish a task, the Stonic will handle it.

Enjoy these after-sales perks when you choose the Kia Stonic as the partner of your valued members.

The generous warranty of the Kia Stonic will last for 5 years or 160,000 km, whichever comes first. Yes! It's that long. Because we're that confident when it comes to the quality of this stylish and reliable crossover.

This comes free for 5 years. The services it includes are: emergency towing, personal assistance, minor onsite repair, medical assistance, information service, and more!

## Convenient Vehicle Health Checks

Kia service centers are present all over the Philippines, always ready to serve and assist you. Maintenance checkups with them are easy and time-saving, thanks to our high-tech Kia Diagnostic System (KDS). Our personnel can check the health of your Kia vehicles with the touch of a fingertip.

## Readily Available Spare Parts

Our sizeable inventory of maintenance, mechanical, and collision parts allows for reduced downtime. And should there be other parts that need to be shipped from abroad, our reliable shipping partner will deliver them within 7 days.
