Other Warranty Conditions

The duration of all the implied warranties, if any, including but not limited to the warranties of merchantability and disposition, are limited respectively to the duration of these express warranties.

THESE WARRANTIES are given in lieu of all other expressed warranties (except any set forth separately in this booklet) on the part of Kia, Kia distributor or the Authorized Kia Dealer selling your Kia vehicle.

No Dealer, Agent, Employee or any other person is authorized by Kia to extend to ENLARGE these warranties or to grant other warranties and consequential liability.

Kia shall not be liable for economic losses, incidental special, consequential or exemplary damages for any service not expressly provided for herein.

What is covered

Kia warrants that your new Kia Vehicle is free from defects in material or workmanship, subject to the following terms and conditions. An Authorized Kia Dealer will make necessary repairs, using new or remanufactured parts, to correct any problem covered by this limited warranty without charge to you.

1. The Warranty Period

The New Vehicle Limited Warranty is divided into various periods. For the purpose of all warranties contained in this Manual (other than warranties on replacement parts or accessories installed after the Kia Vehicle is placed into use), the warranty period begins on the Date of First Service. "Date of First Service" means the first date the Kia Vehicle is delivered to the first retail purchaser, is leased or is placed into service as a company vehicle use (e.g., as a demonstrator, rental or fleet vehicle) whichever is earliest. Moreover, whenever this manual refers to warranty period of months/miles, it means whichever comes first. Any remaining portion of the warranty, except the 120 months/100,000 miles Power Train (Original Owner) warranty, is fully transferable to subsequent owners.

2. Warranty Coverage

- **Basic Warranty Coverage**

Except as limited or excluded below, all components of your new Kia Vehicle are covered for 60 months or 60,000 miles from the Date of First Service, whichever comes first (Basic Limited Warranty Coverage). This warranty does not cover wear maintenance items, or those items excluded elsewhere in this Manual. See "Exceptions" and "What is Not Covered."

Parts replaced under any warranty in the Manual become property of Kia.

- **Power Train Coverage**

For Original Owners (defined below), the Power Train Limited Warranty begins upon expiration of the 60 months/60,000 miles Basic Limited Warranty Coverage and will continue to cover the following specified components up to 120 months or 100,000 miles from the Date of First Service, whichever comes first. It does not cover wear and maintenance items, tires and conditions excluded under "Exceptions" and "What is Not Covered".

The items covered by the Power Train Limited Warranty include:

- **In the Engine:** Cylinder block, cylinder head and all internal parts, timing gear, seals and gaskets, valve cover, flywheel, oil pump, water pump and turbo charger.
- **In the Transaxle:** Transmission case and all internal parts, torque converter, drive shafts, universal joints, front hubs, bearings, seals and gaskets.
- **In the Axles:** Axle shafts and C-V joints (couplings), seals, hub and wheel bearings.
- **In the Transmission:** Transmission case, transfer case, torque converter and all internal parts, seals, and gaskets.
- **In the Differentials:** Front and rear differential assemblies, cases, all internal parts, seals and gaskets.
- **In the Propeller Shafts:** Drive shafts, universal joints.
- **EV System / Hybrid System(HEV/PHEV) Coverage**
The Warranty period for the following EV System / Hybrid system(HEV/PHEV) components is limited to 120 months from the date of original retail delivery or date of first use, or 100,000 miles whichever occurs first

- **Electric Vehicles (“EV”) system**

Electric Motor, High Voltage Battery*, Electric Power Control Unit (“EPCU”), On Board Charger (“OBC”)

- **Hybrid system (“HEV/PHEV”)**

* High Voltage Battery*, Hybrid Power Control Unit (“HPCU”), Traction Motor, On Board Charger (“OBC”)

- **Original Owner**

An Original Owner is defined as the first retail purchaser or lessee of the Kia Vehicle who takes delivery of the Kia Vehicle on its Date of First Service. If the Kia Vehicle was first placed in service as a lease vehicle, and the lessee purchases the vehicle at the end of the lease, the 120 month/100,000 mile Power Train Limited Warranty remains in effect. The Power Train Limited Warranty is not transferable to subsequent owners.

- **Vehicles Placed in Commercial Service**

The 120 month/100,000 mile Power Train Limited Warranty also excludes all coverage for any Kia Vehicle that has been placed into any form of commercial service, including but not limited to taxi, route delivery, delivery service, or rental.

- **Adjustment Coverage**

Service Adjustments are covered for the first 12 months/12,000 miles. Service adjustments means minor repairs not usually associated with the replacement of parts, such as wheel balance and alignment, freeplay or tension adjustments of cables, belts, levers and pedals, engine adjustments (idle speed, etc.), body parts and fittings.

3. Exceptions

The items specified below are covered for periods different from the basic coverage.

Air Conditioner Refrigerant Charge

Air conditioner refrigerant charge is covered for the first 12 months of the Warranty period regardless of mileage. Over the balance of the warranty period, refrigerant charge is covered only when replenished as part of a warranty repair.

- **Audio / Entertainment System**

An original equipment radio, compact disk player, OE DVD / RSE (Rear Seat Entertainment System) or navigation system is covered for the first 36months/36,000 miles

- **Lithium-Ion Polymer Battery Capacity Coverage**

The Lithium-Ion Polymer Battery (“EV/PHEV Battery”) Capacity warranty coverage period is 10 years or 100,000 miles from the Date of First Service, whichever comes first, for capacity loss below 70% of the original battery capacity. This warranty covers repairs needed to return battery capacity to 70% of original battery capacity. If possible, the EV/PHEV battery components will be repaired or replaced, and the original EV/PHEV Battery will be returned to the vehicle. If necessary, the EV/PHEV Battery will be replaced with either a new or remanufactured Lithium-Ion Polymer Battery. Any repair or replacement made under this Lithium-Ion Polymer Battery Capacity Coverage may not return your Lithium-Ion Battery to an “as new” condition with the original 100% battery capacity. However, it will provide the vehicle with an EV/PHEV Battery capacity of at least 70% of the original battery capacity. This Lithium-Ion Battery Capacity Coverage is subject to the exclusions listed under the section “What is Not Covered.”

- **Battery (12V) / MHEV Battery (48V)**

Time Period

The original equipment and MHEV batteries are fully covered for the first 12 months from the Date of First Service regardless of Mileage.

- **Capacity Coverage of the High Voltage Battery Pack for Hybrid (HEV) and Low Voltage Battery of MHEV (48V)**

Capacity deterioration coverage is based on onboard diagnostic system information (DTC-Diagnostic trouble code).

This HEV/MHEV battery capacity coverage is subject to the exclusions listed under the section “What is not covered”.

Warranty Coverage

- **Battery**

The original equipment battery is covered by a limited warranty for a period of 24 months/Unlimited Miles. During 24 months/Unlimited Miles of the warranty period, a defective battery will be replaced at no cost to you. Kia will cover diagnostic, installation and replacement battery costs.

Kia will not reimburse you for any portion of the cost of a non-Kia replacement battery.

- **Road Side Assistance**

This program is not part of the warranty offered by Kia. This is a program offered by the Authorized Kia Distributor of your region. Refers to the Roadside Assistance booklet supplied by your Kia Authorized Distributor or Dealer.

The cost for the towing service that complies with the requirements and conditions of the warranty described in this booklet, will be covered to the nearest authorized Kia Dealer or authorized Kia Service Center.

- **Paint**

Paint repairs are covered for the first 36 Months/36,000 Miles.

4. Limited Liability

The liability of Kia under this warranty is limited solely to the repair or replacement of defective parts supplied, material or workmanship. Such repair or replacement shall be performed by an authorized Kia Dealer at its place of business, and specifically does not include any expense for or related to transportation to such dealer or payment for loss of use of the Kia Vehicle.

What Is Not Covered

The following items are not covered:

Damage Due to Factors Beyond the Manufacturer's Control

Examples of these factors include, but are not limited to:

- Misuse of the Kia Vehicle such as driving over curbs, overloading, racing, etc. (Proper usage is described in your Owner's Manual).
- Accidents such as collision, fire, theft, riot, etc.
- Alteration, modification, tampering, rewiring, etc.
- Damage or corrosion from the environment such as acid rain, industrial precipitation, airborne fallout (chemicals, tree sap, etc.), salt, saltpeter, excessive exposition to sea breezes, road hazards, hail, wind storm, lightning, floods and other acts of God.
- Cosmetic conditions or surface corrosion from stone chips or scratches in the paint.

Damage due to Lack of Maintenance or the Use of Wrong Fuel, Oil or Lubricants

- Improper maintenance or the use of other than the specified fuel, oil or lubricants recommended in your Owner's Manual. It is your obligation to ensure that

you obtain all fuels, oils and lubricants from reliable vendors using quality products which meet the Kia specifications identified in your Owner's Manual. In the event that problems result to your vehicle due to service from vendors who use reduced quality products, your vehicle warranties will not provide coverage.

- Damaged brake rotors and drums resulting from failing to replace brake pads and/or shoes before they have worn sufficiently to damage such rotors and drums. It is your obligation to ensure adequate inspections to prevent rotor and drum damage due to pad/shoe wear.

Normal Deterioration

- Normal wear, tear or deterioration including the wearing out of friction parts such as brake pads and brake drums as well as spark plugs, worn broke pads/linings, worn clutch linings, filters, worn wipers blades, bulbs and fuses, other wear and consumable items.
- Surface corrosion on any part other than the body sheet metal panels forming the exterior appearance of a Kia Vehicle.

Normal Maintenance

- Normal maintenance services such as: cleaning & polishing, minor adjustments, lubrication, oil/fluid changes, filters, anti-freeze coolant replenishment, wheel alignment and tire rotation unless such services are performed as part of a covered warrantable repair.
- Normal maintenance items are warranted in normal service, only when the replacement is the result of a defect in material or workmanship, for 12 months / 12,000 miles, whichever occurs first, or up to the first scheduled maintenance replacement interval. (Normal maintenance items include belts, brake pads and linings, clutch linings, filters, wiper blades, and bulbs.)
- Maintenance services described as “Scheduled Maintenance Services”, “Owner Maintenance Services” or “Appearance Care” in your Owner's Manual.

Altered Mileage

- Any repair of a Kia Vehicle on which the odometer has been altered or on which the actual mileage cannot be readily determined.

(When replacing the speedometer, the "Speedometer Replacement Record" on the inside front cover must be filled in by an Authorized Kia Dealer.)

Extra Expenses and Damages

- Any economic loss or other incidental, special, consequential, or exemplary damages. This includes, without limitation, payment for loss of use of the Kia Vehicle, lodging, car rentals, travel costs, loss of pay and any other expenses or damages.

UVO

- The New Vehicle Limited Warranty does not cover some repairs for certain conditions or issues related to the UVO system, if equipped, including, but not limited to :
 - Improper installation of paired devices such as phones or digital media players
 - Malfunctioning paired devices
 - Inadequate signals
 - Misuse such as insertion of foreign objects
 - Damage caused by unauthorized modification to functionality or capability

- Installation of unauthorized or unapproved software, upgrades, or other system modifications
- Computer or internet viruses, bugs, worms, or other similar issues.

Tires

- Tires are warranted by the tire manufacturers. Refer to the tire warranty pamphlets provided with your Kia Vehicle.

Salvage or Total-Loss Vehicles

- Any Kia Vehicle that has ever been issued a “salvage title or similar “branded” title under any state law: or has been declared “total loss” or equivalent by financial institution or insurance company. This exclusion does not apply to Emission Warranties, Replacement Parts Limited Warranty or recall campaigns.

Production Changes

- Kia and its Authorized Kia Dealers reserve the right to make changes in vehicles built and/or sold by Kia and its Authorized Kia Dealers at any time without incurring any obligation to make the same or similar changes on vehicles previously built and/or sold.

Your Responsibilities in Order to Maintain Your Warranties

Maintenance

You are responsible for properly operating and maintaining your Kia Vehicle in accordance with the instructions described in your Owner's Manual. If your vehicle is used under severe driving conditions, you should follow the maintenance requirements described in your Owner's Manual for severe driving conditions in order to maintain your warranties.

Maintenance Records

You should retain maintenance records since it may be necessary, in some instances, for you to show that the required maintenance has been performed. The "Scheduled Maintenance Record" beginning on page 29 should be filled in when scheduled maintenance is performed. Keep all receipts and make them available in case questions arise about maintenance.

To Get Warranty Service

You must take your Kia Vehicle, along with this manual, to an Authorized Kia Dealer in Puerto Rico during its normal service hours. While any Authorized Kia Dealer will perform warranty service, Kia recommends that you return to the dealership where you purchased your Kia Vehicle because of their continued personal interest in you. If you have any questions or need assistance regarding this warranty, refer to "When You Need Assistance with your Kia" starting on page 35.

Other Terms

This warranty is applicable to Kia Vehicles registered and normally operated in Puerto Rico.

Kia warrants that the body sheet metal panels of your new Kia Vehicle are free from defects in materials or workmanship, which result in perforation (hole through the body panel) due to corrosion, subject to the following terms and conditions.

An Authorized Kia Dealer will either repair or replace without charge to you any body sheet metal panel perforated due to corrosion resulting from defects in material or workmanship under normal use.

1. Warranty Period

The warranty period is for the first 60 months or 100,000 miles from date of first retail delivery or when it is first put into service, whichever come first.

2. What Is Not Covered

- Any perforation due to corrosion of the Kia Vehicle which is caused by industrial fallout, accident, damage, abuse, vehicle modifications or damaging or corrosive cargo in the Kia Vehicle.
- Any surface corrosion of the Kia Vehicle which does not result in perforation, such as that typically caused by sand, salt, saltpeter, excessive exposition to sea breeze, hail or stones.

- Any perforation due to corrosion of a part of the Kia Vehicle which is not a body sheet metal panel. As used herein, "body sheet metal panel" specifically excludes all parts which are components of the exhaust system of the Kia Vehicle.
- Defects or damage resulting from the use of new parts not sold or approved by Kia, or used parts, or the resultant damage to associated parts or systems.
- Any perforation due to corrosion of the Kia Vehicle, which does not result from a defect in materials or workmanship, but from failure to maintain the Kia Vehicle in accordance with the procedures, specified in paragraph 3, "Your Responsibilities."

3. Your Responsibilities

Inspect the body sheet metal panels of your Kia Vehicle frequently and if you detect any stone chips or scratches in the paint or protective coating, touch them up immediately. In addition, under certain conditions, special care should be taken to protect your Kia Vehicle from corrosion.

- If you drive on salted roads, or if you drive or live near the ocean, flush the underbody as needed, and at least once a month, with clean water.
- It is important to keep the drain holes in the lower edges of the body clear.
- If your Kia Vehicle is damaged due to an accident or any event that may cause damage to the paint, have your Kia Vehicle repaired as soon as possible.
- If you carry special cargo, such as chemicals, fertilizers, deicing salt, or other corrosive substances, be sure that such materials are well packed and sealed.
- If you drive frequently on gravel roads, we recommend that you install stone guards behind each wheel.

4. To Get Warranty Service

You must take your Kia Vehicle, along with this manual, to any Authorized Kia Dealer in Puerto Rico during its normal service hours.

If you have any questions or need assistance regarding this warranty, refer to the "When You Need Assistance with Your Kia" starting on Page 35.

5. Limited Liability

The liability of Kia under this warranty is limited solely to the repair or replacement of Kia-supplied parts defective in material or workmanship by an Authorized Kia Dealer at its place of business, and specifically does not include any expense of or related to transportation to such a dealer or payment for loss of use of the Kia vehicle during warranty repairs.

6. Other Terms

The "Other Terms" stated on page 12 in the New Vehicle Limited Warranty section of this manual also apply to this warranty.

Emission Warranty Definitions

- (a) "EPA" means the U.S. Environmental Protection Agency.
- (b) "Owner" means the original and each subsequent owner of a Kia Vehicle.
- (c) "Kia Part" means a part sold by an Authorized Kia Dealer, whether new or remanufactured, and supplied by Kia.
- (d) "Emission Warranty Part" means a catalytic converter, thermal reactor, or other component installed on or in a Kia Vehicle by or at the direction of Kia for the sole or primary purpose of reducing the Kia Vehicle's emissions (not including those vehicle components which were in general use prior to model year 1968 and the primary function of which is not related to emission control). A list of typical Emission Warranty Parts is set forth at the end of this Warranty.
- (e) "Certified Part" means a replacement part for a Kia Vehicle certified in accordance with certification regulations issued by EPA.
- (f) "Written Maintenance Instructions" means those maintenance and operation instructions, together with the time and/or mileage interval at which such maintenances are to be performed, specified in the Owner's Manual being necessary to assure compliance of the Kia Vehicle with applicable emission standards during the term of this warranty, as specified by law.

Emission Defect Warranty

Kia warrants to the ultimate purchaser, and each subsequent purchaser, that your Kia Vehicle is (1) designed, built, and equipped so as to conform at the time of sale with the applicable regulations of the United States Environmental Protection Agency (the "EPA"), and (2) free from defects in materials and workmanship which would cause it to fail to conform with the applicable regulations for a period of vehicle operation that does not exceed 24 months or 24,000 miles, whichever occurs first, if the failed Emission Warranty Part is listed in the 24 Month/24,000 miles Emission warranty Parts List at the end of this Federal Emission Control warranty or for a period of vehicle operation that does not exceed 96 months or 80,000 miles, whichever occurs first, if the failed Emission warranty Part is listed in the 96 Month/80,000 Mile Emission Warranty Parts List at the end of this Federal Emission Control Warranty.

The applicable warranty period shall begin on the date of sale to the first retail owner, or on the date the Kia Vehicle is first placed in service (for example if used as a demonstrator, lease, or company car), whichever is earlier. If there should be such defects within this period, Kia will, at its option, repair or replace them with

new or remanufactured parts, free of charge at any Authorized Kia Dealer in Puerto Rico and the liability of Kia under this warranty is solely limited to such repair or replacement.

This warranty does not apply to or include repair or replacement required, not as a result of defects in materials or workmanship of Kia but, as a result of such factors as (i) accidents, (ii) misuses, (iii) lack of proper maintenance, (iv) repairs improperly performed or replacements improperly installed by any person other than a Kia Dealer, (v) a replacement part or accessory not conforming to the Kia specifications, or (vi) any of the items listed under "What is Not Covered" in the New Vehicle Limited Warranty on pages 9-11 and "Other Items Not Covered by this Warranty" on page 21 of this manual.

This warranty is given in lieu of all other express or implied warranties on the part of Kia Corporation or the AUTHORIZED Kia Dealer selling the Kia Vehicle. No dealer, or any agent or employee thereof, or any other person, is authorized to extend or enlarge this warranty.

The "Other Terms" stated on page 12 of New Vehicle Limited Warranty section of this manual also apply to this warranty.

Emission Performance Warranty

Important Notice:

This warranty has been prepared in accordance with certain regulations promulgated by the EPA which provide that a remedy will be available under this warranty only when a vehicle fails an EPA approved emission short test, generally under circumstances which subject the Owner to a penalty under local, state or federal law because of such failure. As of date of the printing of this warranty, many states did not have vehicle inspection programs for testing vehicles for conformity with such short test and had not enacted laws subjecting vehicle Owners to such penalties. Therefore, it is possible that in many states or local areas no remedy will be available under this warranty as matter of law.

1. Warranty

Pursuant to Section 207 (b) of the Clean Air Act, Kia warrants to each Owner that if:

- (a) The Kia Vehicle is maintained and operated in accordance with the Written Maintenance Instructions; and
- (b) The Kia Vehicle fails to conform at any time

during the term of this warranty to the applicable emission standards of the EPA, as judged by an emission test approved by the EPA ;and

- (c) Such nonconformity results or will result in the Owner having to bear any penalty or other sanction (including the denial of the right to use the Kia Vehicle.) under local, state or Federal law, Kia shall remedy the nonconformity at no cost to Owner except that if the Kia Vehicle has been in operation for more than 24,000 miles or 24 months since the date of retail delivery or first use of the Kia Vehicle, Kia shall be required to remedy the nonconformity only if results from the failure of an Emission Warranty Part listed on the 96 Month/80,000 Mile Emission Warranty Parts List.

2. Term of Warranty

This warranty shall commence on either the date the Kia Vehicle is sold to the first retail delivery or owner, or on the date the Kia Vehicle is first placed in service (for example, a demonstrator, lease, or company car use), whichever is earlier. This warranty shall be effective for a period 2 year or 24,000 miles from such date, whichever occurs first, except that if the

failure to conform to applicable emission standards results from the failure of a part listed on the 96 Month/80,000 Mile Emission Warranty Parts List at the end of this Federal Emission Control Warranty, this warranty shall be effective for a period of vehicle operation that does not exceed 96 months or 80,000 miles, whichever occurs first.

3. Owner's Warranty Responsibilities

Each Owner is required to comply with the Written Maintenance Instructions and a claim under this warranty may be denied based on noncompliance by the Owner with such instructions. When it is considered that the vehicle's nonconformity with the applicable emission standards has resulted from the Owner's noncompliance with those Written Maintenance Instructions which the manufacturer considers necessary for the vehicle to meet the standards, the Owner may be required to submit evidence of such compliance, and therefore, receipts and other documents covering the performance of scheduled Maintenance Service and proper use In accordance with Written Maintenance Instructions, including but not limited to validated Scheduled

Maintenance Record of this manual, should be retained by the Owner and should be transferred to each subsequent Owner of the Kia Vehicle.

4. Use of Kia Parts

The Kia Vehicle is designed, built and tested using Kia Parts so that the Kia Vehicle is able to perform in conformity with EPA regulations as provided by this warranty. Accordingly, it is recommended that any replacement parts used for maintenance, repair or replacement of the Kia Vehicle be Kia Parts, or parts equivalent to those with which the Kia Vehicle or its engine was originally equipped.

5. Use of Non-Kia Parts

Owner may elect to use Certified Parts other than Kia Parts in the performance of any maintenance or repairs and such use in itself will not invalidate this warranty. However, use of other than Kia Parts may cause Kia to deny an Emission Performance Warranty claim if the Certified Part used is either defective in materials or workmanship or not equivalent from an emission standpoint to Kia Parts.

6. Repair or Replacement by an Authorized Kia Dealer

Your Kia Dealer shall make all adjustments, repairs or replacements necessary to assure the Kia Vehicle complies with applicable emission standards of the EPA and that the Kia Vehicle will continue to comply during the remainder of term of warranty (if proper maintenance and operation are continued).

7. Warranty Claim Procedures

A warranty claim may be submitted by presenting the Kia Vehicle to any Authorized Kia Dealer during the Authorized Kia Dealer's regular business hours, together with a copy of a failed emissions test. Upon presentation of a claim, Kia shall notify the Owner within 30 days, or such shorter period within which repair is required by local, state or federal law that the claim will be honored or shall provide the Owner a written explanation of the basis upon which the claim is being denied.

Failure to notify the Owner within such period shall cause Kia to be responsible for repairing the Kia Vehicle free of charge to the Owner, unless such failure is attributable to the Owner or to events

beyond the control of Kia or the Authorized Kia Dealer.

8. Maintenance by Other than an Authorized Kia Dealer

Any automotive repair establishment or individual using Certified Parts may perform maintenance, replacement, or repair of the emission control devices and systems covered by this warranty. However, such non-Kia Certified Parts will not be covered by Kia's emission system warranties if such parts fail at a later date.

9. Customer Assistance

If you have any questions regarding your warranty rights and responsibilities, you should contact Motorambar, Inc.'s Kia Warranty Division at 1(787) 620-0900.

Alternatively, you may write to: Director, Field Operations Support Division (EN-397F), Environmental Protection Agency, 401 M Street, S.W., Washington, DC 20460.

10. Other Items Not Covered by This Warranty

In addition to above provisions, this warranty does not cover the following:

- (a) Damage resulting from such factors as accidents, acts of nature or events beyond the control of Kia.
- (b) Any economic loss, incidental, special, consequential, or exemplary damages (whether in contract or tort), including, but not limited to, loss of time, inconvenience, loss of use of the Kia Vehicle, cost of transporting the Kia Vehicle to an authorized Kia Dealer or other repair establishment for repair or service, lodging, car rentals, travel costs, loss of pay and any other expenses or damages.

- (c) Any repair of a Kia Vehicle on which the odometer mileage has been altered or on which the actual mileage cannot be readily determined.

(When replacing the speedometer, the "Speedometer Replacement Record" on the inside front cover must be filled in by an Authorized Kia Dealer or any repair establishment utilizing Certified Parts.)

This warranty is given in lieu of all other express or implied warranties (except those set forth separately in this manual) on the part of Kia America Inc. or the Authorized Kia Dealer selling the Kia Vehicle. No dealer, or any agent or employee thereof, or any other person, is authorized to extend or enlarge warranty.

This warranty is applicable to all the Kia Vehicles certified for the 50 states, including the State of California and Puerto Rico.

Replacement Parts and Accessories Limited Warranty

Kia warrants that Kia genuine replacement parts and Kia Accessories are free from defects in materials or workmanship, subject to the following terms and conditions.

This warranty covers genuine Kia new or remanufactured replacement parts and Kia Accessories sold by an Authorized Kia Dealer. This also includes Kia Accessories installed by an Authorized Kia Dealer or Kia Corporation prior to the retail delivery of new Kia Vehicle.

An Authorized Kia Dealer will either repair or replace any replacement part or accessory to correct any problem covered by this warranty. If the part or accessory was installed by an Authorized Kia Dealer or Kia, it will be repaired or replaced without charge for parts and labor to the owner if it was installed by anyone else, it will be repaired or replaced without charge for the parts, but the labor charge will be your responsibility.

Warranty Period

- **Replacement Parts**

Replacement parts (except the battery) installed by an Authorized Kia Dealer under warranty are covered for the greater of (1) the duration of the New Vehicle Limited Warranty or (2) the first 12 months from the date of installation of the replacement Kia part or 12,000 miles.

- **Replacement Kia Battery**

This warranty applies only to Genuine Kia replacement batteries purchased from Authorized Kia Dealer.

Genuine Kia replacement batteries are covered by a limited warranty for the period of 36 months from the date of installation, regardless of mileage. During the first 12 months of the warranty period, a defective Kia replacement battery will be replaced at no charge for the new battery, labor or installation. If a Kia replacement battery fails during the last 24 months of the 36-month warranty period, you will receive a prorated credit toward the purchase of a new Kia battery. The undersigned Dealer wants you to know that at time your new Kia Vehicle is being delivered:

- 1. Based upon written notification furnished by the manufacturer we have knowledge that this Kia Vehicle is covered by an Environmental Protection Agency (E.P.A.) Certificate of Conformity.
- 2. We have made a visual inspection. This inspection is limited to those emission control devices or portions thereof which are visible without removal or adjustment of any vehicle component or system of the Kia vehicle, whether emissions related or otherwise. Based upon such visual inspection, there are no apparent deficiencies in the installation of emission control devices by the manufacturer. ("Emission control device" is limited to all devices installed on a Kia Vehicle for the sole or primary purpose of controlling Kia Vehicle's emissions, which were not in general use prior to 1968.)
- 3. We have performed all emission control system preparation required by the manufacturer prior to the sale of the Kia Vehicle, as set forth in the current predelivery service manual provided by the manufacturer.
- 4. Except as may be provided in Paragraph 5 below, the Kia Vehicle warrantor shall remedy free of charge to the customer, under terms of the warrantor's emission performance warranty, if this Kia Vehicle fails to pass an EPA-approved emission test under BOTH of the following conditions:
 - a. If such test is prior to the expiration of three months or 4,000 miles (whichever comes first) from date or mileage at time of delivery to ultimate buyer.
 - b. If Kia Vehicle has been maintained and used in accordance with the manufacturer's written instructions for proper maintenance and use.
- 5. () Check here if the Kia Vehicle is a company car or demonstrator and complete the following:

The Kia Vehicle with which this statement is delivered was placed in service as a demonstrator or company car prior to delivery. The manufacturer's emission performance warranty period commenced on the vehicle was first placed in service, namely on

Month Day Year

NOTE

The dealer makes no representation or warranty that the emission control system or any part thereof is without defect nor that the system will properly perform. The warrantor's emission performance warranty referred to above, furnished with this Kia Vehicle is solely that of the warrantor. This statement is required by section 2070 tile Clean Air Act (42 U.S.C. 7541) and the EPA regulations issued there under.
